MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Fiscal Year 1950 Budget

1. The National Security Council has authorized the Central Intelligence Agency to submit to the Bureau of the Budget a budget estimate for the fiscal year 1950 in the total amount of [redacted] for unvouchered expenditures.

25X1A

2. The Council is cognizant of or has directed the implementation of the following new activities for which funds are provided in your fiscal year 1950 requirements:

a. Office of Policy Coordination -- Directed by National Security Council.

b. Exploitation of certain intelligence materials not heretofore available for general utilization in development of intelligence estimates.

c. World manpower studies in conjunction with the Bureau of the Census -- Essential to the development of intelligence estimates in the interests of national security.

d. Support of requirements of the Departments of State, Agriculture, and Interior, and over-all reproduction costs in the development of national intelligence surveys to meet the minimum requirements of the Joint Chiefs of Staff in the interests of national security.

e. Establishment of an employee investigative unit to meet essential personnel security requirements, occasioned by the inability -- stated in writing by the Director of the Federal Bureau of Investigation -- to process security checks for CIA.

3. This action does not constitute or imply Presidential approval of this budget estimate prior to normal review by the Bureau of the Budget.
